NOTE (1).—Throughout this series the figures for Merchandise and Treasure include the Imports and Exports on account of Government; and the amounts for Bengal and Bombay down to 1852-53, are those for Calcutta and Bombay only, the subordinate Bengal and Bombay ports not being included.

NOTE (2).—For the years 1870-71 to 1873-74, revised figures have been included in the tables in this series for Government treasure, and in tables Nos. 1 and 2 only for Government Stores. As corrected details in regard to articles and countries for Government Stores are not available, the revisions could not be carried out in the remaining tables, in which the totals of Merchandise for these years will not therefore be found to agree with those in tables Nos. 1 and 2.

* The Tariff values of Cotton Goods and of the principal Metals were reduced, on an average, by 15 per cent. on the 18th March 1869.
